Are you Ready?!

NOMV's fourth annual Race Around the World begins on September 1st! This fundraising event is important for raising the necessary funds for our programs that support the mental wellbeing of the veterinary community.

Anyone from anywhere in the world can join the virtual race and show their support to veterinary professionals during the Race Around the World! From peer-to-peer fundraising, to sharing about the race to friends and family, there are a few ways to participate in this important event.

Race Around the World looks a bit different this year! In addition to our month-long virtual race, we will also be holding an in-person walk/run in Boston Commons in Boston, Massachusetts on October 8th. If you will be in the area, we hope you will join us! Registration is now open.

After you register for the virtual race and/or in-person race, be sure to shop this year's official Race Around the World merchandise!

Thank You, Darlene!

NOMV would like to say a very special thank you to Darlene Bos for her 3 years of service as NOMV's first Executive Director and very first employee! While it's bittersweet for NOMV that Darlene is retiring from the role of Executive Director we are thrilled for her next adventure which includes volunteering with several of NOMV's programs!

Darlene has been working in the non-profit world since 2000. After a varied and fulfilling career that included museums, Special Olympics, professorships, and a stint as a park ranger, Darlene put her passion into mental health. She spent time working with California's largest mental health organization in the North Bay, prior to joining NOMV.

In her time at NOMV, Darlene helped encourage tremendous growth for the organization. We now have 11 employees, 6 MSW graduate interns, and 8 programs dedicated to elevating the wellbeing of veterinary professionals.

From all of us at NOMV, thank you for your passion and dedication to NOMV and the mental wellbeing of the veterinary community. We are thrilled to see what the future holds for you, Darlene!
