Welcome, Gigi!

Hello NOMV Community,

I'm excited to have joined the NOMV team as the new Executive Director. It has been a pleasure meeting the team, volunteers and community. It's clear that those involved with NOMV are passionate, engaged and committed. I want to give a huge shout out to my predecessor Darlene Bos! Her leadership helped define the organization and create the path to truly impact the wellbeing of the veterinary community.

During my short tenure, NOMV has been referred to as a movement, a voice for the voiceless, an innovator, a change maker and more. Having the opportunity to support the mission of transforming the wellbeing of the veterinary community in an organization that honors inclusivity and supports innovative program is a dream come true.

Thank you for welcoming me with open arms! I look forward to learning from you and creating a positive future for the veterinary profession! Contact me any time gtsonotos@nomv.org
