MEET SUSIE MITCHELL CLEAR PROGRAM MANAGER

Hello, I'm Susie Mitchell. I have worked as a veterinary technician for the past 12 years. After experiencing the stresses of the veterinary field first hand, I became passionate about helping veterinary professionals lead mentally healthy lives and careers. I have just completed my Master of Science in Social Work (MSSW) with a focus in Veterinary Social Work at the University of Tennessee. As a former NOMV CLEAR Blueprint Intern, I am overjoyed to be stepping into the role of CLEAR Blueprint Program Manager. I am excited to continue the impactful work CLEAR is accomplishing alongside veterinary clinics and improve the future of veterinary medicine!.
