On October 24th, NOMV gathered in Chicago to celebrate a decade of support to the veterinary community. We were honored to award the [Association for Pet Loss and Bereavement](#) as our partner of the year; [Associated Veterinary Partners](#) as our sponsor of the year; Lake Placid Animal Hospital as CLEAR Blueprint Clinic of the Year; NOMV New England as Chapter of the Year; Amber Wallace as Rising Volunteer of the Year; Mark Hedberg Volunteer of the Year; and Dr. Shannon Emmons as Board Member of the Year! We are grateful for the commitment of these organizations and individuals as work to meet our mission.

NOMV was honored to be joined by filmmaker Grace Galletti to screen *The Weight They Carry*, a powerful piece that explores the realities of mental health in the veterinary community. This film is more than a story, it's a conversation starter and call to action.

A special thanks to our sponsors!
